YALE-BROWN OBSESSIVE COMPULSIVE SCALE (Y-BOCS)*

Questions 1 to 5 are about your obsessive thoughts

Obsessions are unwanted ideas, images or impulses that intrude on thinking against your wishes and efforts to resist them. They usually involve themes of harm, risk and danger. Common obsessions are excessive fears of contamination; recurring doubts about danger, extreme concern with order, symmetry, or exactness; fear of losing important things.

Please answer each question by circling the appropriate number.

The next several questions are about your compulsive behaviors.

Compulsions are urges that people have to do something to lessen feelings of anxiety or other discomfort. Often they do repetitive, purposeful, intentional behaviors called rituals. | 2 | = | Anxiety would mount but remain manageable if compulsions prevented |
| 3 | = | Prominent and very disturbing increase in anxiety if compulsions interrupted |
| 4 | = | Incapacitating anxiety from any intervention aimed at modifying activity |

9. RESISTANCE AGAINST COMPULSIONS SCORE _____

How much of an effort do you make to resist the compulsions?
